

Destroyit® Model 2250

The newly redesigned model 2250 offers increased paper capacity and an integrated window that shows you when to empty the shred bin.

Quiet, compact and now more efficient, the Destroyit 2250 shreds up to 12 pages at once.

Destroyit 2250 Shredder Features

- Translucent plastic window in cabinet door shows amount of shreds collected.
- Cross-cut shred size available for extra security.
- Quiet cutting head takes staples and paper clips.
- Automatic start/stop via a photo cell.
- Automatic shut-off in case of paper jam.
- Optical indicator for "on" position.
- Three-position rocker switch for stand-by/stop/reverse.
- Five-year limited warranty on cutting head.
- Sleek, pearl gray cabinet opens from the front for convenient disposal of shredded material.
- **Recommended Supplies:** 0907 shred oil.

The 2250 features an integrated easy-access shred bin.
